Companions,

Holiness to the Lord! It has been an extraordinarily busy fall quarter for us at the end of 2023 - culminating in Chapter of the Year at York Rite Workshop in Orlando, Florida. The honor was chosen from among thirty-six chapters within the Jurisdiction.

This prestigious award is not without hard work by the companions. Chapters within the jurisdiction now follow our social media platforms to possibly replicate our efforts - cataloged in the Inaugural Newsletter '[The Stone Squarer.](#)'

As noted by a member of the grand line, "*All eyes are on ATS No. 10.*" Not to rest on our laurels, today begins the continuation of steady work in the quarry. But **we need your help.** We have a few events occurring until the Grand Session in April and, although less rigorous than the fall, just as important. We ask you please attend one:

- Visitation to other chapters
- Visitation to churches
- Haircut Drive

Reminders:

- 🚩 Chapter Meeting 2.10.24 (HOJ providing food)
- 🚩 PHP Appreciation Luncheon in March.

As we move forward further information will be disseminated.

Blessings,

George L. Lockhart
